

# FAS MEETING IN BARCELONA

5th - 6th April 2024

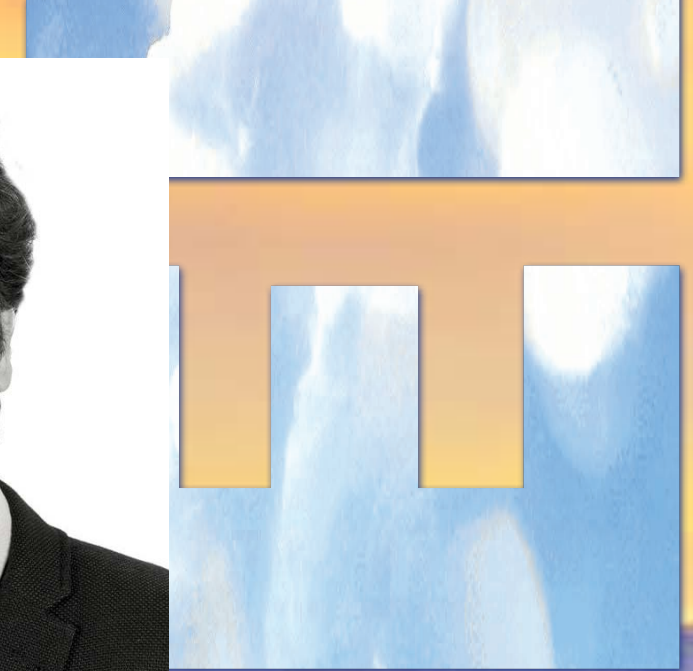

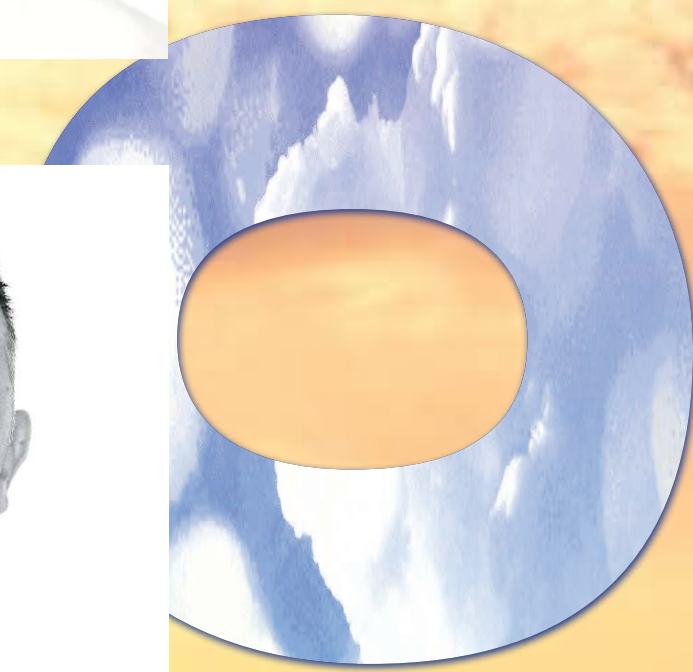

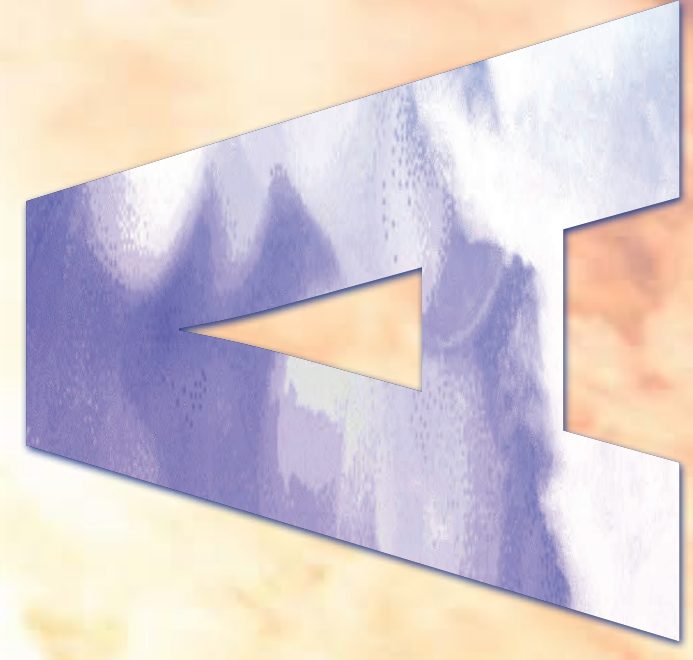

**In the rooms of the former Barcelona Stock Exchange, our speakers will show you different approaches to treatment with aligners - from the combination of bracket and aligner treatment to anchoring concepts and the question of the sustainability of aligner treatment, we will give you a 360° insight into modern aligner therapy.**

**You can look forward to two exciting days in Barcelona, where you will also have the opportunity to exchange ideas with colleagues.**

**Register today! Any questions? Just get in touch with us!**

**Your FAS team at Forestadent**
